Aeon Water Filters
48, 296 Bay Road
Cheltenham Victoria 3192

Dear Jonathon,

I would like to thank you for installing the new water filter in our office earlier this year.

Your patience during our initial discussion and your absolute efficiency once we had decided to proceed were much appreciated.

The quality of the water is excellent and has been remarked on by all of our staff.

I would not hesitate to recommend your services to anyone.

Yours faithfully
