Mr. Jonathan Coles
Aeon Water Filters
PO Box 341
Bentleigh Vic 3204

Dear Jonathan,

I wish to convey my thanks for your very professional assistance in helping me select a new filter tap and the correct filter for my requirements.

Having had a filter tap fitted in the past at another premises, I was very surprised to learn of the many choices available as I was definitely under the impression that there was only one type of filter.

I appreciated the prompt personal service and will not hesitate to recommend your company to my friends and colleagues.

Yours sincerely,

Robyn Bevan
